1. THE RANGE OF OUR ADVICE AND FINANCIAL PLANNING OBJECTIVES

Your adviser is independent and acts on your behalf as your agent. Your Adviser is therefore able to provide unbiased unrestricted advice on retail investment products based on a comprehensive and fair analysis of the market. For mortgage advice your adviser provides independent mortgage advice on first charge mortgages. This is a mortgage where the lender takes the first charge on the property. This will include most mortgages. Further advances can also be arranged, where appropriate, but advice isn't provided on second charge mortgages.

We are permitted to give advice on retail investments, general insurance and mortgages and arrange transactions in these products. For retail investment products, this will include not just packaged products, but also structured products, all investment trusts and any other investments that offers exposure to underlying assets, but in a packaged form which modifies that exposure compared with direct holding in the financial asset.

In order to provide you with personal financial advice and recommendations suitable for your particular circumstances we will undertake a 'fact find' to gather the appropriate information to assess your needs. We will then be able to set out clearly your financial planning objectives based on your stated objectives, acceptable level of risk and any restrictions you wish to place on the type of policies you are willing to consider. Details of your stated objectives will be set out in a Suitability Report we will issue to you to

confirm our recommendation. Unless confirmed in writing, to the contrary, we will assume that you do not wish to place any restrictions on the advice we give you.

You hereby acknowledge that in the event of the firm assisting you in the completion of any investment or insurance application or policy proposal forms that you will in any event continue to bear full responsibility for the accuracy and completeness of the information entered on such forms. Therefore you understand that inclusion of incorrect information or omission of any material facts may result in the insurance, investment or policy to which the application or proposal relates to being adversely adjusted, made void and/or any claim(s) made against it being refused. The advice we give you will be based on the information you have given us and your stated investment objectives including the degree of risk you will accept. It is your responsibility to advise us on any changes.

We will forward to you all documents showing ownership of your investments/contracts as soon as practicable after we receive them. All such documents may be sent by post and this would be at your risk.

We will outline from the outset whether our advice will cover your entire financial planning needs or whether it will focus on a specific area giving consideration to any restriction you place on what advice you want.

We require our clients to give us instructions in writing, or we may confirm our understanding in writing (by post or by email) in order to avoid possible disputes. This will usually be in the form of a proposal or application form. We will, however, accept oral instructions in certain instances provided they are subsequently confirmed in writing.

2. CUSTOMER CLASSIFICATION

The type of client category will determine the levels of protection afforded to you under the Financial Services and Market Act 2000. The firm proposes to classify you in accordance with FCA rules as a **Retail Client** and the regulatory protection available to you will be the highest available. This agreement is personal to you and not assignable. We may accept instructions from and give information to third parties or your other advisers on your behalf where you have confirmed in writing we may do so. We cannot accept any responsibility for errors in information supplied by such persons. Where you are a trustee, director or officer of any trust, corporation or LLP requiring advice you warrant to us that you have full authority to act on behalf of the same and there are no restrictions on the limits of our advice of which we have not been made aware. We will not be responsible for advising on compliance with your trust, trustee, director or officer obligations.

3. THE COST OF OUR SERVICES

You will pay for our services by either a fee or a combination of fee and/or fee by payment facilitation through product charging.

We will discuss your payment options with you and answer any questions you have. We will not charge you until we have agreed with you how we are to be paid. For payment options relating to investment advice, please refer to paragraph 3.1. For payment options relating to mortgage and insurance advice, please refer to paragraph 4. Value added tax may be payable on some or all of the work we do. We will inform you if VAT is applicable.

Investment advice

3.1 When **paying by fee**, you will pay us for our advice and services (whether you buy a product or not) at an amount or a rate agreed before we commence any work. Our fees may include VAT. Where this is the case you will be informed and invoiced accordingly.

Our hourly rates are:

Director	£200 per hour
Administration	£55 per hour

Our fixed fees are:

Initial Meeting: At our cost
Initial Financial Review: £500
Implementation: See percentage below

These fees are indicative only and in any event are subject to review annually on the 1st January. In cases that we deem to be complex in nature, our fees may be higher than our stated rates. However, we will always provide you with a breakdown of our estimated fee and agree this with you prior to undertaking any work.

Our fees as a percentage of the funds invested is 3%. For example, a £100,000 investment would cost £3,000.

You may wish to set a fixed amount of fees that cannot be exceeded without further reference to you, in which case please speak with your Adviser. Where charging a fixed fee we will provide you with a fee agreement showing the actual fee that will be payable for the agreed service being provided. We will provide a letter of engagement to indicate how much we might charge in total.

Your Payment Options

Settling your adviser charge through a single payment.

3.2 You will be required to settle the payment of our fees on completion of our work in 14 days. We accept cheque or card payments. We do not accept payment by cash. You will be provided with a receipt upon payment.

Settling your adviser charge by instalments

Paying by instalments through your recommended product

3.3 If you buy a financial product, you can choose to have your adviser charge deducted from the product through instalments. Although you pay nothing to us up front, that does not mean that our service is free. You still pay us indirectly through deductions from the amount you pay into your product.

These deductions will pay towards settling the adviser charge. These deductions could reduce the amount left for investment.

How your payment plan works

Total monthly premium payable	£250
Total cost of advice	£600
Monthly payment for advice	£50
Length of repayment period	12 months

Advice £50 Invested £200

These instalments will be deducted from the premium you pay each month and allocated towards settling the adviser charge. For example, the total cost of advice is £600. You have been recommended a regular premium product of which £250 will be paid each month. £50 will be taken from this amount to pay off your adviser charge over 12 months. The remaining £200 will be invested during this time. At the end of this period the adviser charge would have been settled in full. From month 13 the full £250 will be invested.

Paying through other arrangements

You can choose to pay your adviser charge by standing order on a quarterly or annual basis. The adviser charge can be paid up to a maximum of 4 instalments on the 1st day of the month from your bank account. The adviser charge will be taken in equal instalments.

Keeping up with your payments

3.4 If you fail to keep up repayments of the adviser charge we will terminate our relationship.

You may elect that we are remunerated by fees and off set fees (paid by a product provider) the actual amounts will depend on the service provided to you but will be in line with the arrangements set out above in paragraph 3.1 headed "investment advice".

The fee will not exceed the rates shown in this document. We will agree the rate we will charge before beginning work and we will tell you if you have to pay VAT. The fee will become payable on completion of our work. You may ask us for an estimate of how much in total we might charge. You may also ask us not to exceed a given amount without checking with you first.

Pure Protection Products

3.5 If you buy a protection product you may elect that we are remunerated **by commission**. The commission is paid directly by the provider. Although you pay nothing up front that does not mean our service is free.

You may elect that we arrange for the protection premium to be discounted by the commission that otherwise might have been payable under the policy recommended. In this instance you will need to pay a fee appropriate to cover our advice and work, in accordance with paragraph 3.1 above.

The amount of commission we receive will vary depending on the type of policy and (sometimes) the term of the policy or your age, as in the following example:

If you were to pay £20 per month towards a Critical Illness policy we would receive commission of 3% of the sum assured (£3000) and 0.5% of the sum assured (roughly £50 every year).

Payment for Ongoing Services

We have a range of ongoing services we can provide to ensure that your personal recommendation is reviewed frequently and remains relevant to our changing circumstances. The frequency and amount of the charge will depend on the service you choose and is usually made by standing order on the 1st of every month.

Or

We offer an ongoing service where we review your account every 3 months and inform you of new recommendations or changes that may be relevant to your circumstances. This service is provided at a charge of 1% per annum which is deducted over 12 months and can be either deducted from your investment or pay by direct debit. This service can be cancelled at any time.
